When Autumn Falls

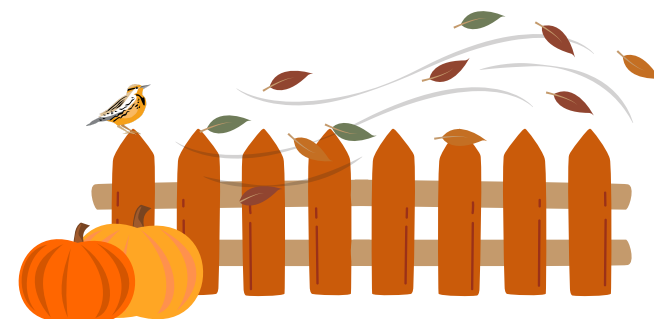

by Megan Salfrank

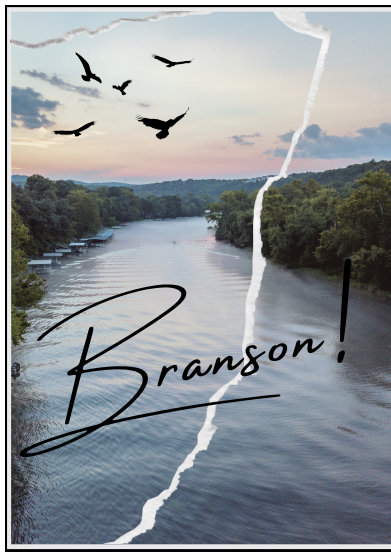

Leaves don their best hues
to dance on a chilly breeze,
singing songs

of winters to come
and summers gone by.

Pumpkins take a front-row seat
as Harvest takes a bow.

Cider and Cocoa flow,
nestled in the cozy embrace
of a captive audience,
all gathered to watch
Autumn fall.

Coming Up Next: Catch Me If You Can on Jan. 10th

"Parks & Rec" star Jim O'Heir stars in this comedy murder mystery in a role that inspired the creation of "Columbo". It follows Daniel, whose new bride disappears at a chic mountain resort, only for a priest to show up with a beautiful stranger claiming to be the missing woman! Tensions rise and the worst is yet to come as a local detective tries to sort fact from fiction.
