**On Display: Rebecca Williams'
Monopoly Collection**

Hello, I'm Rebecca Williams. I've been working at Kaw Valley State Bank for the past 11 years. My husband and I started collecting Monopoly games about 16 years ago. It started as a joke as we would love to play the game, we just realized we couldn't play against each other. We have expanded our collection to 65 games including the Monopoly card game version and we also have Monopoly home décor as well. My husband's favorite is any version where he wins, and my favorite is the Disney edition. We incorporated Monopoly into our pregnancy announcement for our first daughter, and a friend made her a Monopoly blanket and pillow as a gift. ★
