**Do you have a collection
you want to show off? Let
us know! Contact Aleasha
about getting it displayed in
our lobby!**

Rosie Bosse currently has twelve published books in total, including eight children's titles and four adult novels. The children's books include titles such as *Gertrude, the Loud Chicken*, *Gnarlytooth*, *the Mean Mountain Lion*, and *the Curly Series*. They combine fiction and real life on the farm and many include original artwork by Cynthia Martin.

Rosie's four novels are part of her historical western series. She incorporates a struggle for survival along with a little romance. She follows history as much as possible in addition to making sure they are "clean" storylines. The first book in the series is *North to Cheyenne, the Long Road Home*.
