Reid Bowser's License Plate Collection

Reid Bowser is a lifelong resident of Wamego and has been collecting license plates since 2005 at the age of 12. He started by getting a plate from every U.S. state then started collecting the different counties in Kansas and eventually began collecting foreign plates from around the world. Reid has at least three plates from every state and a vast collection of 8,000 plates from more than 710 counties. He focuses on finding plates from Pottawatomie county and low number plates from Nebraska, Colorado, Nevada and Hawaii. He is a member of both Kansas and American License Plate Collectors Associations. Reid regularly attends regional license plate collector swap meets in Kansas, Missouri and Nebraska and has attended the ALPCA Annual Convention 3 of the past 4 years, visiting Rogers, AR, Ft. Wayne, IN and Valley Forge in Eastern Pennsylvania. Two plates from his collection have won awards. The plates displayed here are some of Reid's favorites and are and among the most unique and rare from his collection.

Please visit our Wamego branch to view Reid's unique License Plate Collection now through Nov, 20th.

KVSB Spotlight

Ben Meek marks 50 Years at KVSB!!

During the summer of 1968, a young chemistry major decided that career wasn't for him "I woke up after two years of college realizing I don't want to teach, I don't want to work in a lab but What do I want to do?" There was another opportunity awaiting that young chemistry major, an internship at KVSB in Wamego and the banking career of Ben Meek was born.
